

World Migratory Bird Day was celebrated for the third time on [10 – 11 May 2008](#) . This year

Many of you, whether organizers or participants have made a valuable contribution in raising awareness

A lot of personal commitment has been put into each of the very varied activities that took place over

Finally we sincerely hope that your active enthusiasm will continue to flourish and that you will help spread

If you would like to share your experiences with us and others around the world, we would be very

THANK YOU

and C

The AEWA & CMS Secretariat – WMBD Team

Please send your event reports and photos to:
